

CITY OF TOMAH WEED ORDINANCE

Ordinance requires that grass on parcels of 1 acre or less cannot exceed 8" in height at any time. Larger parcels must be mowed to a height of no more than 12" at a minimum depth of 50' along any property lines adjacent to developed lots.

Failure to comply with these regulations will result in the following actions:

1. A notice will be sent to the property owner allowing 3 days to bring the property into compliance
2. After 3 days, the property is re-checked. If not mowed, the City of Tomah notifies a contractor to do the work.
3. The property owner is billed for the work along with an administrative fee. If the bill is not paid, it will be added to the property tax bill as a special assessment and additional charges will be applied.
